

How to log into your account

You can log into your online **Bowlr** account, it's **EASY!**

First, to login, you will need your name and membership number – see, EASY.

Go to the Member pages on the Club website and click on the **bowlr LOGIN** button; you **Login** by entering your membership number and your password in the boxes at the top of the page.

Your membership number needs to be a four-digit number: if your membership number is less than four digits, add zeroes at the front. For example, John Smith with actual membership number 123 would enter '0123'.

By default, your password is your first initial, your surname and the four-digit membership number, all in one entry, lower case with no spaces. For example, our John Smith would have a default password of 'jsmith0123'. If your name is hyphenated then omit the hyphen, so member 6343, Hugh Fearnley-Whittingstall, would enter hfearnleywhittingstall6343. And if your name has several parts with spaces, omit the spaces, so member 7465, Simon Van de Valk, would enter svandevalk7465.

Press **Login** to see a welcome message and today's diary sheet. You are logged in!
